

I am writing you to express my concern at the possible loss of K-Love radio 94.3 FM in my area K-Love is the only station I play in my home & car. It is family & community oreinted. They should not be displaced by LPFM. In a society were very few things are wholesome and good, many things I have heard broadcasted on other stations are not fit for the family.... K-love has prayer teams and encouraging words that uplift anyone who would listen. The loss of K-Love would be very great in my community and home were we all benefit from a great message and wonderful music. Please Dont Take K-Love off the air.  
Thank You, Rene' Ahern
